

Reference to your SAMSA Certificate of Fitness (COF) and WCNP Boat/ Lagoon Permit.

Good day Sir/ Madam

We are sending this reminder to all our clients regarding a hassle free service to you so that we can do all the necessary arrangements to assess your boat and your needs to do the C O F and Lagoon permit on your behalf. Therefore this email serves as a reminder that the yearly hassle of acquiring a Lagoon Permit and COF for your boat can be something of the past if you leave it in our hands. We also supply up to date flares/ pyrotechnics and other required safety equipment. Our motto, "**Leave it with us, we'll take care of it**" says it all!

Our range of flares and safety equipment includes:

Flares/ Pyrotechnics:

- Projectile Flare Set
- Hand Held Smoke Marker
- Floating Orange Smoke Marker
- Hand Held Red Distress Flare
- Red Rocket Parachute Flare

Other required safety equipment:

- Anchors and chain
- Approved Fire Extinguishers
- Compasses
- Dan buoys
- Emergency Steering
- First Aid Kits
- Fog Horns
- ID Sheets
- 100nm and 150nm Life Jackets
- Paddles/ Oars
- Radar Reflectors
- Repair Kits
- Safety Whistles
- Signaling Mirrors
- Space Blankets
- VHF Radios and Antennas
- Waterproof Torches
- Watertight Capsize Bottles

Other additional services:

- Trailer Name Boards
- Vessel Stickers e.g. Name or Registration number
- Arrange servicing of Life Rafts

- Arrange reviewing of Buoyancy and/or new certificates

**Please contact the office regarding price enquiries. (Contact number displayed at end of email.)*

We would also like this opportunity to inform you of the notice that was given out by SANPARKS to prohibit overnight at Kraalbaai from 1 July 2017 is under review and is suspended till further notice.

KLAG is the body who are currently in negotiations with the SANPARKS management to resolve the issue at hand and to ensure that Kraalbaai will stay open for all Boat Users and to the public of South Africa.

SAVE LANGEBAAN LAGOON is a protest action group that is currently protesting against the Operation Phakisa project which the government has launched in trying to stop the government of implementing the ADZ (Agricultural Development Zone) in the waters of Saldanha Bay and the lagoon **PLEASE SUPPORT THIS CAUSE IN DONATING BY BUYING STICKERS AT THE BOATYARD.**

We need to protect what is ours to enjoy otherwise Langebaan will never be the same again.
